Dear Kate Long,

C/C Des White

At our monthly meeting held on Wednesday 19th January, Des White from the Wigan Borough Veterans Council was invited along to explain their plans for the running of Lowton Civic Hall.

Twenty seven people attended the meeting and Des spoke and took questions for over an hour, after which a vote was taken to see if we wanted to back his proposal,

The result was overwhelming. The vote was in favour of our group withdrawing our application to run the Civic Hall and fully supporting the bid by the Veterans Council.

Therefore please take this letter as our formal withdrawal from the tendering process, and inform all concerned that we are going to work with the Veterans Council for their bid to be successful.

Sincerely,

Edward Thwaite Chairman Hesketh Meadows A.G
