Dear Mr Thwaite,

Thank you for your recent enquiry to the Chief Executive regarding the winter displays in your area.

We are currently reviewing the provision of planters across all townships within Wigan, including Golborne and Lowton.

We have taken into consideration the request from the forum to remove all the winter displays; however we believe that this would not be well received by local residents.

As such we will aim to install a selection of winter displays in the Golborne and Lowton township area to co-exist with the rest of the Borough.

Thank you once again for taking the time to contact us.

Yours sincerely,
